Striving for a Sustainable Change
SKS Foundation

SKS Foundation is a national non-government organization rooted in Northern Bangladesh. SKS facilitates multi-faceted development programs covering the poor & marginalized focusing women & children. Conceived on 1 December 1987 out of voluntary initiatives of self-motivated local youths in remote char area of Gaibandha, the Organization has gradually emerged in supporting the poor & oppressed segments of the society to fight exclusion, deprivation and injustice with multi-sectoral development interventions. SKS works following multi-disciplinary approach with vulnerable groups i.e. ethnic minority, landless, marginal farmers, climate victims, and so on in different geophysical contexts who suffer from exclusion and lack of access to resources. It has grown more visibly over the last 3 decades with diversity in its plans & programs targeting the deserving people. Thus, SKS has been Striving for a Sustainable Change in collaboration with the development partners and stakeholders.

Vision

A poverty-free society where everyone has access to resources and live with voice, dignity and justice.

Mission Statement

SKS Foundation facilitates improvement of life and livelihood of the poor and excluded by reducing their vulnerabilities, promoting empowerment and improving access to development opportunities and resources. SKS Foundation collaborates with government including local government, private sector, NGOs, networks and donors to ensure sustainable development.
